NEW OFFICES THIS FALL

New offices for most members of The University of Texas athletic department will be open in the new Gregory Gymnasium "annex" this fall. The new part of the building is located immediately south of the old gymnasium.

Despite the enlargement and renovation of the gym, an additional seating capacity will be available for intercollegiate basketball contests. The new part of Gregory Gymnasium is designed for men's intramurals and men's physical training, as well as for the new Intercollegiate Athletics offices.

The Sports News Office, located for years in Gregory Gym 116, will be located in Room 213 after the move.

. . . BUT SAME TELEPHONE NUMBERS

It was thought, as this material was prepared during the summer, that chances were "99 to one" that telephone numbers of Intercollegiate Athletics personnel would remain unchanged, despite the move to the new offices.

The Sports News telephone number will continue to be GReenwood 8-6805.

OUTLOOK FOR 1963

GENERAL—The 1963 Texas Longhorn football team should be another sound football team, typical of the ones produced in the past few seasons by Darrell Royal. With the exception of the potent 1961 outfit, Texas teams have been playing them nip and tuck since the 1959 season. What kind of record Texas has this fall will depend on how the close ones go. Texas got the close wins in 1959 and 1962 and lost them in 1960. The 1961 club, featuring the explosiveness of James Saxton, won most of them in the first half and coasted with reserves the remainder of the way. Not so with last year's unbeaten club and with the first four teams Royal coached at Texas. The 1963 team will have an unbeaten season to follow. As Royal put it after spring training: "We'll have some nip and tuck games and I don't know how they'll go. If we're real lucky like we were last year, we'll be all right." Texas returns 27 lettermen but will miss eight starters from last year's Southwest conference championship club. Both linebackers, both guards, an end, two good running backs and a quarterback are among the starters missing. But there are some good hands back, chiefly Tackle Scott Appleton, Guard George Brucks, End Sandy Sands and Backs Duke Carlisle, Tommy Ford and Ernie Koy. These are the standout players among the lettermen returning. The 1963 Longhorns will be sound in the fundamentals and will emphasize ball control, defense and the kicking game. These features of Royal-coached teams have produced a 48-14-3 record at Texas in the past six years and have helped win three Southwest conference titles and produced five bowl teams.

CHIEF LOSSES—Seven offensive starters plus Linebacking Specialist Pat Culpepper will be missing from the unbeaten, Southwest conference championship team of 1962. A total of 14 lettermen in all will not be back. The first-stringers missing include End Tommy Lucas, Guards Marvin Kubin and all-America Johnny Treadwell, Center Perry McWilliams, Linebacker Culpepper, Quarterback Johnny Genung, Tailback Jerry Cook and Fullback Ray Poage. Replacing Linebackers Culpepper and Treadwell will be a major problem for Coach Royal and his staff. Linebacking Guard Bobby Gamblin was a scholastic casualty.

RETURNING STARTERS—Both tackles—Scott Appleton and Ken Ferguson—plus End Sandy Sands, Safety-Quarterback Duke Carlisle and Back Ernie Koy head the returnees, along with Tailback Tommy Ford who shared first-string duties with Cook. Alternates returning are Ends Knox Nunnally and Charles Talbert, Guard George Brucks, Center David McWilliams, and Backs Tommy Wade, Joe Dixon and Harold Philipp. Koy was moved from wingback to fullback in the spring.

TOP 1963 PROSPECTS—Tackle Scott Appleton is regarded by Texas coaches as a prime all-America candidate. He is an outstanding and dedicated player who was an all-Southwest conference selection last fall. Tailback Tommy Ford, also an all-SWC player, is one of the top running backs in the country. When a first down is needed Ford usually gets it and he's a top defensive performer. Other top hands are End Sandy Sands, Guard George Brucks and Safety-QB Duke Carlisle.

TOP SOPHS—On the basis of spring training plus their freshman seasons, the following newcomers are given the best bet for stardom at The University of Texas this fall: Linebacker-Guard Tommy Nobis of San Antonio Jefferson; Wingback Phil Harris, also of Jefferson; Quarterback Marvin Kristynik of Bay City, and End Pete Lammons of Jacksonville.

ROYAL REMARKS

Following are some of the observations Texas Head Coach Darrell Royal made at the end of the 1963 spring training period.

GENERAL OBSERVATIONS—"This has been a lot like any other spring practice. It's the same old thing: you're playing against yourselves. It was a fairly good spring training, but a lot of guys missed it. . . . In the spring, we work on an overall approach, rather than concentrating heavily on any one thing. . . . I think it was a typical spring practice. I'm not elated or dejected about it."

ON QUARTERBACKING—"I feel that our quarterbacking is pretty solid. (Marvin) Kristynik has caught the fancy of a lot of people. . . . It might be this fall before we can definitely decide which one is No. 1. Of course, (Tommy) Wade and (Duke) Carlisle give us real good experience at that position."

ON PASSING—"We've worked more on passing progressively the last two years. We've been throwing about 50 in our scrimmages. But spring's the time to get reckless."

ON SOPHOMORES—"Phil Harris is an outstanding football player. (Mike) Boxwell, (Tom) Stockton and (Fred) Edwards are other backs who have promise. I'd say right now that (Tommy) Nobis, Harris, Kristynik, (Pete) Lammons and (George) Sauer are sophomores who have the best chance of playing a lot next fall."

ON POSITIONS—CENTER: "(David) McWilliams is a good football player. (Jack) Hawe had the fractured leg and we haven't gotten a look at him, but we think he'll be all right by fall." . . . ENDS: "They're crippled. (Knox) Nunnally and Sauer have been out with knee operations. Lammons and Sauer seem to be the best of the sophs, but (Dan) Manldin has really come along well this spring." . . . GUARDS: "Nobis has been coming fast. He's one of the most dedicated-to-football boys I've ever seen." . . . FULLBACKS: "We think that (Tommy) Duerr is the best linebacker, but we've been pleased with the way (Ernie) Koy and (Harold) Philipp have been backing the line. Offensively, Philipp is a good inside runner who is pretty well seasoned now." . . . BACKS: "We have (Tommy) Ford, (Charles) Buckalew and (Hix) Green at tailback, although Buckalew missed the last two spring games. At wingback, there's not much difference between (Joe) Dixon and (Jim) Hudson. Harris is close on offense."

ON TEAM PROSPECTS—"Offensively, I would imagine we will be just about the same kind of team. Probably about the same effectiveness, too—and we didn't excite too many people last year. We'll have nip-and-tuck games and I don't know how they'll go. If we're real lucky like we were last year, we'll be all right."

POSITION CHANGES

The major spring position changes among returning varsity players found Ernie Koy being moved from wingback to fullback and Jim Besselman from tackle to guard. Several incoming sophomore backs were shifted around, including Phil Harris, from frosh tailback to varsity wingback; Mike Boxwell, from frosh quarterback to varsity tailback and Les Derrick from frosh tailback to varsity quarterback. Derrick played both positions in spring training and is a good enough athlete to play both in the future. Frank Bedrick, soph squadman guard, was shifted to center. In a minor shuffle, Pete Lammons was moved from strongside to weakside end after spring training.

1963 SPRING INTRA-SQUAD GAME

Duke Carlisle threw four touchdown passes, two each to End Sandy Sands and Wingback Phil Harris, to lead the Orange to an unexpected 45–12 rout of the White in the March 30 spring game that wound up Texas' spring training period.

The Orange built up a 21-0 halftime lead and coasted in.

His Green and Harold Philipp joined the touchdown parade for the Orange, with Philipp adding five PAT kicks and Carlisle running for a two-point extra-pointer after a bad snapback.

Tommy Ford and Ernie Koy tallied the White touchdowns on short running plays.

It was a curious game statistically, with the Orange—despite its lopsided victory—trailing in the three major statistics. The White led in first downs (25–18), passing yards (164–104) and rushing yards (241–176).

Fifty-one passes were thrown, the Orange—Carlisle doing all the tossing—completing nine of 14, the White connecting on 16 of 37.

Here's a typical scene on Southwest gridirons the past two seasons—the two all-SWC Longhorns, Tailback Tommy Ford, at left, with Tackle Scott Appleton leading the way. Both, along with Center David McWilliams, are tri-captains of the 1963 Longhorns.

ALL-AMERICA CANDIDATE
SCOTT APPLETON

Elected by teammates one of three tri-captains for 1963 season along with Tailback Tommy Ford and Center David McWilliams . . . wears jersey number 70 . . . stands 6-3 . . . weighs 235 . . . age 21 . . . two-year letterman from Brady, Texas . . . has the winning habit; in 7 years of organized football he has played on teams that have won 72 games, lost only 12 and tied 1 . . . his 4-year high school record is 48 wins, 10 losses and no ties . . . played on unbeaten frosh team at Texas (5-0) and his first two varsity seasons produced 19 wins, 2 losses and one tie . . . played on two Southwest conference championship teams in 1961 and 1962 . . . was one of outstanding players in 12-7 win over Ole Miss in 1962 Cotton Bowl game . . . although his Longhorns lost to LSU in 1963 Cotton Bowl game, Appleton was one of top linemen in game . . . has had two fabulous seasons with Texas and is looking forward to even greater one . . . made all the all-conference teams as junior in 1962 . . . a fiery competitor who is dedicated . . . has all it takes to be sensational and has been in his career to date . . . although he's a fine blocker, he's a truly great defensive player . . . plays weakside tackle in Texas' flip-flop offense where everybody except center, QB and fullback plays either side with side in front of wingback the strong side . . . a physical education major . . . led his Orange team to overwhelming victory in final Orange and White intra-squad scrimmage ending spring training . . . squad had been divided evenly but Appleton's team lost close game the previous week on illegal substitution . . . when coaches called captains in to divide up again, Appleton requested permission for same teams to play . . . he fired up his squad and it won, 43-12, in grudge rematch . . . he played several games in early 1962 with injuries which would have kept the average player on the bench . . . Coach Darrell Royal terms Appleton a "truly great all-American" . . . was tackle mainstay on first unbeaten Texas squad in 30 years . . . the 1962 Texas team went 9-0-1 into Cotton Bowl after 1961 team was 10-1.

THE UNIVERSITY OF TEXAS

It would be fitting for a huge 80-candle birthday cake to make its appearance on The University of Texas campus when the 1963-64 long session officially opens Sept. 15.

For it was on Sept. 15, 1883, that the first students began classwork at the Forty Acres.

But the University has had a close connection with Texas ever since the days of the Republic. As early as 1837, the Second Congress of the Republic heard a bill suggesting a statewide educational institution.

DR. HARRY RANSOM
Chancellor

Since its opening, the University has had a triple goal—serving the state through an outstanding program of instruction, research and public service.

Component units of the far-flung University system are located at Austin, Galveston, Houston, Dallas, El Paso and San Antonio, each with its own role in UT's overall objectives.

Dr. Harry H. Ransom is chancellor of the entire system.

Aside from the Main University at Austin, the system includes these units:

The Medical Branch at Galveston, the Dental Branch at Houston, the M. D. Anderson Hospital at Houston, the Postgraduate School of Medicine at Houston, the Graduate School of Bio-Medical Sciences, the Southwestern Medical School at Dallas, Texas Western College at El Paso and the now-being-formed South Texas Medical School at San Antonio.

Research units of the Main University include the Institute of Marine Science at Port Aransas and McDonald Observatory near Fort Davis.

DARRELL ROYAL

Director of Athletics
Head Football Coach

Darrell Royal, head football coach and atheletic director, has built a fabulous record in his six years at The University of Texas.

The 38-year-old coaching wizard has produced five bowl teams in his six years and three Southwest conference championships during the past four years. Royal's Texas teams have won 48 games, lost 14 and tied three. His clubs have won 29 Southwest conference games, lost but eight and tied two. Since the SMU game of 1960 Texas has won 23 games, lost only two and tied two.

In nine years as a head coach, Royal has won 65 games, lost 27 and tied three. His first head coaching position was at Mississippi State in 1954 and 1955. The following year he was head coach at the University of Washington.

Summoned from Washington to direct the Longhorns up the comeback trail, Royal and his able staff of assistant coaches have accomplished a remarkable comeback program.

Royal's first year at Texas in 1957 resulted in a 6-3-1 regular-season record, a season so impressive that the Longhorns wound up with a Sugar Bowl bid. The second phase of the Longhorn recovery program—1958—wound up with these credit marks on the ledger: a 7-3 record, a sweep of non-conference foes and Texas' first victory over Oklahoma since 1951. Royal's Texas teams have beaten the Sooners five straight times.

Then came 1959—a 9-1 season that earned a share of the Southwest conference title and a Cotton Bowl berth, the first time Texas had played in this famed Dallas classic since 1953. The 1960 team, hit by early troubles and losing a couple of close ones, rallied to win four straight and earn a 7-3 record and a spot opposite Alabama in the Bluebonnet Bowl game.

The 1961 Longhorn club won praise as one of the greatest in UT history and certainly one of Texas' most potent offensive teams. It held down the No. 1 spot in the nation until upset by TCU. This club fashioned a 10-1 record by winning over Ole Miss in the Cotton Bowl game.

The 1962 club became Texas' first unbeaten team since 1923 and has been described by Royal as "my top defensive team of all time." The club also had more offense than any other Royal-coached Texas team except the 1961 team. The 1962 team won classic come-from-behind games from Oregon, Arkansas and Texas A&M. Texas trailed Oregon, 3-13 in the second half and came back to win, 25-13. Trailing Arkansas 0-3 before a sell-out crowd in Austin, the Longhorns drove 90 yards in 20 plays to take a 7-3 victory in the final 36 seconds. Only a tie with Rice (14-14) marred a perfect season.

Rehabilitation is not new to the popular Royal. He was called upon to set in motion comeback programs in each of his previous stops as a head coach. Prior to that, Royal had served for one year each as assistant at North Carolina State, Tulsa and Mississippi State. He also was head coach in 1953 for Edmonton of the Canadian Professional League. This pro team had a 17-5 record.

A native of Hollis, Okla., Royal played four seasons (1946-49) at the University of Oklahoma where he was a top halfback and quarterback. He also excelled as a punter and as a defensive back.

His teams are noted for their all-out effort, tough defense and sound kicking game. With a guy like James Saxton at tailback his 1961 club was a powerful offensive team. His thoroughness and organizational skill also are reflected in the division of duties on the coaching staff, in Texas' recruiting program and in office routine, as well as on the practice field. He was named athletic director in September of 1962.

A popular after-dinner speaker and coaching clinic instructor, Royal is married and the father of three children.

THE 1963 CO-CAPTAINS

Tailback Tommy Ford, Center David McWilliams and Tackle Scott Appleton, three of The University of Texas' most outstanding football players, have been selected by their teammates as tri-captains for 1963.

Ford and Appleton made the majority of the all-Southwest Conference selections after helping lead the Longhorns to the championship and an undefeated regular-season record. McWilliams, no kin to 1962 co-captain Perry McWilliams, was one of the Longhorns' most consistent linemen throughout the season.

Appleton, who has had two outstanding seasons and two spectacular bowl games, is regarded as Texas' top potential 1963 all-America candidate.

Ford is from San Angelo, McWilliams from Cleburne and Appleton from Brady. All will be two-year letterman seniors next fall.

Their two predecessors in the captaincy role, Pat Culpepper and Perry McWilliams, will be back, too, but in new roles—as student assistant coaches assisting Bob Schulze with the 1963 freshman team.

ATHLETIC ADMINISTRATION
THE ATHLETIC COUNCIL

All matters connected with the conduct of intercollegiate athletics and extramural athletics are within the jurisdiction of the Athletic Council, subject to all the University regulations relating thereto and to the General Faculty, the President and the Board of Regents.

MYRON L. BEGEMAN

The Council is composed of nine members—one each from the Students' association and Ex-Students' Association, two appointed by the Board of Regents and five members of the General Faculty Standing Committee on Intercollegiate Athletics. The chairman of the faculty committee serves as chairman of the Council and also as the institution's faculty representative in the Southwest Conference.

Current chairman is Myron L. Begeman, professor of Mechanical Engineering at the University since 1932. Begeman holds three degrees from the University of Michigan and has vast listings and memberships in professional societies. He is listed in Who's Who in America and is the author and consulting editor of several publications.

EDWIN WERNER OLLE
ASSISTANT ATHLETIC DIRECTOR–BUSINESS MANAGER

A familiar face around the UT athletic department is that of Ed Olle, business manager of athletics who has been close to the Longhorn athletic scene for over three decades.

Mr. Olle has served the University as business manager since 1929 and also has served as head basketball coach and athletic director. He was a three-sport athlete (football, basketball and baseball) in the 1920's.

EDWIN W. OLLE
Asst. Athletic Director
Business Manager

The hard-working administrator succeeded D. X. Bible as athletic director in 1957 and served in a dual capacity for the next five years. He took the directorship on a five-year basis with the understanding that Darrell Royal would become the AD after the latter's new grid program was successfully under way.

Mr. Olle came to Texas in 1924 after graduating from Texas Military College at Terrell. He lettered in football and basketball, captained the baseball team and obtained both his bachelor's and master's degrees in business administration during his senior year (1927).

He coached the UT basketball team for three years and won the SWC title in 1933. He played professional baseball after graduation until returning to the University as business manager in 1929.

His years as business manager have included many of the "growth" years of UT athletics. He and his wife, Bess, have two daughters, Mrs. Delano Womack and Mrs. Bill Upchurch, and seven grandchildren.

Assisting Mr. Olle in the athletic business office are two executive aides. Bob Rochs, assistant business manager, and Al Lundstedt, ticket manager.

THE OFFENSE

The Texas Longhorns will run from the Wing-T formation with balanced line. For the third straight season they will turn over or "Flip-Flop" the line and halfbacks, depending on the direction of the play.

The guards, tackles and ends are designated as strong or weak depending on where the halfbacks play. The wingback always lines up behind the strongside end. The tailback, or running back, always lines up to the weakside. The play can go strong right, or strong left.

For the 1963 season the running or tailbacks will be Tommy Ford, Hix Green, Charles Buckalew, Mike Boswell, Les Derrick and others. The wingbacks will be Joe Dixon, Jim Hudson, Anthony King and Phil Harris.

UT coaches believe the flip-flop offense helps the players learn their blocking assignments better. Every player except the center, quarterback and fullback has two half the blocking assignments to learn. Every play can go to the right or to the left. Because of the simplicity, Texas has had fewer "busted" signals.

TEXAS' 1962 SCORING EFFICIENCY

During the 1962 season, Texas scored 28 times (26 TD's, 2 field goals) out of 141 possessions for a 20 per cent scoring efficiency.

This compares favorably with Royal's other seasons at Texas, except for the unusual 1961 season which saw a 33 per cent scoring efficiency.

Texas' total offense during the 1962 season was 2,860 yards, which —except for the 3,831 yards gained in 1961—is the best in Royal's six seasons at Texas.

The 1962 Longhorns had the ball on more total occasions (141) than did any of Royal's other UT teams. The 1958 Longhorns are runners-up with 137 possessions.

1962: UNBEATEN SEASON

The 1962 Texas football team put together an undefeated regular-season record, the first time a Longhorn squad had managed that in 39 years, or since 1923. The 1923 team also had had a tie on its record —a 7–7 deadlock with Baylor. Texas won most of its 1962 games the hard way, principally on the basis of tremendous defensive efforts. The Longhorns were an exceptional second-half team during the season beating Oregon, Arkansas, TCU and Texas A&M after either trailing or being tied at halftime. Texas also spotted Baylor and Rice early leads, only to come back for a win and a tie, respectively.

ROYAL'S RECORD

In six seasons at The University of Texas, Darrell Royal's head-coaching record is a fabulous 48–14–3. Five of his six teams have played in bowl games (three Cotton, one Sugar, one Bluebonnet). In conference play, his teams are 29–8–2 with three championships and only one finish below second place. In its last 37 starts, Texas has posted a brilliant 23–2–2 record.

THE DEFENSE

Texas uses a basic 6-2-2-1 defense with two linebackers, two defensive halfbacks and a safety man. In coaching circles it's called an eight-man front with a three-deep secondary.

When Longhorns switch from offense to defense Coach Darrell Royal compares it to a "Chinese Fire Drill." Tackles play guards, one guard and the fullback become linebackers while the center and the other guard play tackle.

Royal refers to his linebackers as his linebacking guards and fullbacks and explains his linebacking strategy like this:

"So far, we've found that our centers play better defense in the 'down' position in the line, rather than in the upright, linebacking position. But we're not married to this system. We will change any time we think our personnel is more suited to the normal pattern."

The 1963 'Horns will have Tim Doerr as the linebacking fullback and a trio of linebacking guards. The LBing guards are Olen Underwood, Tommy Nobis and Barney Giles.

Missing after three seasons are the two star linebackers called by Royal the "best pair in America"—Pat Culpepper and Johnny Treadwell. These two men nailed down every playing and classroom honor given out in addition to "nailing" opposing ball carriers. Both made the all-America academic teams with Culpepper adding the Col. Blaik scholarship and Swede Nelson Sportsmanship trophy to his collection. Treadwell, of course, made every all-America playing selection picked.

Texas platoons its backs as far as possible. Usually, you'll find a different set of offensive backs from the defensive ones, although all are capable of playing both ways.

TEXAS' PASS INTERCEPTION RECORD

During the 1962 season, Texas intercepted 17 passes thrown by the opposition, while itself suffering only three interceptions. This figure further indicates the soundness of the Longhorns' passing attack.

OREGON GAME—Jerry Cook, Jim Hudson and Tommy Wade all intercepted Oregon passes, but none led to a score. Oregon intercepted one Texas pass.

TEXAS TECH GAME—Joe Dixon intercepted a Texas Tech pass, but no score resulted.

TULANE GAME—Jim Hudson intercepted a Tulane pass on the *final* play of the first half. Joe Dixon intercepted one that set up a Texas score, and Harold Philipp intercepted one on the last play of the game.

OKLAHOMA GAME—No interceptions by either team.

ARKANSAS GAME—Jerry Cook and Joe Dixon intercepted Arkansas passes, Dixon collecting his on the final play. Neither led to a score.

RICE GAME—Tommy Lucas and Tommy Ford intercepted Rice passes. Neither led to a score.

SMU GAME—Dixon intercepted an SMU pass, but no score resulted. SMU intercepted a Texas pass thrown by Tommy Wade at the SMU two-yard line late in the second period.

BAYLOR GAME—Jerry Cook intercepted a Baylor pass on the last play of the first half.

TCU GAME—Ben House and Joe Dixon intercepted TCU passes, but neither led to a score.

TEXAS A&M GAME—Duke Carlisle intercepted an A&M pass that led to a Texas score. A&M intercepted a Texas pass thrown by Tommy Wade but it did not lead to a score.

FINE OPENING-GAME RECORD

Texas has lost but five opening games in 70 seasons. The first blemish was in 1936 when LSU played Texas to a 6-6 tie. All five losses have been since 1938. Texas has lost these openers: 1938—18-19 to Kansas; 1953—7-20 to LSU; 1955—14-20 to Texas Tech; 1956—20-44 to Southern California; 1960—13-14 to Nebraska.

ASSISTANT COACHES

JIM PITTMAN—Offensive line coach for the Longhorns, Pittman is serving his tenth season with Darrell Royal and his seventh at Texas. A graduate of Mississippi State (1950), Pittman coached at Carthage, Miss., high school one year, five at his alma mater and one at the University of Washington before coming to Texas. He recruits in the north portion of Texas. The 37-year-old coach and his wife, Jane, have two boys, Alec and Brad. (Home telephone number: GL 3-7876.

CHARLEY SHIRA—An all-America tackle for Army in 1950, Shira is a defensive line specialist with the Longhorns. A native Texan (from Hamlin), Shira played two seasons of football at Texas A&M before moving on to West Point. He was associated with Coach Royal at Mississippi State and Edmonton, Canada, before reuniting with the head coach at Texas in 1957. Added to his duties with the defensive linemen is the itinerary responsibility for the team both at home and on the road. He also is in charge of the playing equipment. He recruits in the southern section of the state. He and his wife, Bernadette, have six children. (Home telephone number: GL 3-5875.)

MIKE CAMPBELL—End coach for the Longhorns is this former University of Mississippi star (1947). Campbell, in his eighth year with Royal, is one of the defensive coaches for Texas. A successful Mississippi high school coach, Campbell served first at Gulf Coast Military Academy, then at Canton and Vicksburg before joining Royal at Washington. Mike recruits in Central and West Texas. He and his wife, Mary, are parents of twin boys, Mike and Tom, and a third son, Rusty. (Home telephone number: GL 3-1745.)

ART DAVIS—Newest member of the Royal staff is a former all-America halfback who played for Coach Royal at Mississippi State. Davis has been on the staff at Georgia Tech the past two years and for two seasons prior to that he was on the LSU staff. He coached for one season at a Mississippi high school after a brief try in professional ball with the Pittsburgh Steelers. An injury forced Davis out of pro ball. The 28-year-old coach, married and the father of two children, was an all-America halfback in 1955 at M-State under Royal. He is a four-year grid letterman and lettered three years in track at Mississippi State. He was a three-sport letterman at Clarksdale, Miss., high school. He and his wife, Frances, have a 5-year-old daughter and an infant son. He will be a defensive backfield coach.

BILL ELLINGTON—Offensive backfield coach. An outstanding high school coach for several years, Ellington joined the Texas staff in the summer of 1959. He has done outstanding work for the Longhorns, both with the offensive backs and as a top-notch scout. He also works with punters. He coached very successfully at Garland and Amarillo Tascosa before coming to the University. He recruits in South Central Texas. He is married and he and his wife, Bernice, have one son, Tim. (Home telephone number: GR 2-3295.)

RUSSELL COFFEE—An offensive coach who works with centers and place kickers is this successful high school coach who has served at Weatherford, San Angelo, Llano and Lamesa. After graduation from Abilene Christian College in 1949, Russell was an assistant for three years before taking over the head coaching position at Weatherford, where he served seven years. He came to Texas in 1960. His recruiting area is Dallas and East Texas. He played high school ball at Loraine and holds a master's degree from Hardin-Simmons. Coffee, 36, is married. He and his wife, Wynelle, have three children—Rusty, Kay Lynn and Craig. (Home telephone number: GR 2-3689.)

BOB SCHULZE—A highly-successful high school coach in Texas for 16 years, Schulze has carried that success to the University, where his freshman teams have compiled an amazing record. The Texas Yearlings, under the talented guidance of Schulze, have registered a 29-8-3 record in his eight years. He came to Texas from Conroe after serving most of his career at Lamar high in Houston where his team won the state Class AAAA title in 1953. He also has been an exceptional recruiter for the Longhorns, especially in the Houston area. He and his wife, Marty, have three children, Bobby, Jennifer Jane and Sherri Ann. (Home telephone number: FA 6-1151).

PAT CULPEPPER—This popular linebacking star of the last three Longhorn teams will remain at his alma mater to work with the freshman squad. Culpepper will be a fulltime staff member upon his graduation and at the completion of his master's degree. The Cleburne product was co-captain of the unbeaten 1962 Texas team. During Pat's three-year hitch with the Longhorns, he saw his team play in three bowl games, win two Southwest conference championships and compile a 25-6-2 record for 33 games. Pat turned down a high school head coaching position to remain with Texas under Coach Royal.

THE COUNSELOR

LAN HEWLETT (BRAIN COACH)

"Texas has been winning with boys who can play the game in the classroom as well as on the field."

These words are those of Lan Hewlett, the capable Academic Counselor to Athletes, popularly called "Brain Coach."

Hewlett's role is the newest in the University's sound athletic program and all concerned are proud of the record compiled by athletes in the six years the former high school science teacher has been in the athletic department.

One of the few full-time counselors in the nation, Hewlett cites the "academic atmosphere" that prevails in the Texas athletic department.

"Our coaches are bringing in boys who are tops in the classroom," the Brain Coach says, "and these athletes have made academic history at the University."

Says Head Football Coach Darrell Royal:

"We're in complete accord with the increased standards of the University and feel that since Lan joined our staff, the standards of our athletes have increased along with those of the school."

Ed Olle, University athletic business manager, says of the counseling program:

"Although the University's standards are increasing as they should, we are losing fewer and fewer boys as a result of our counseling program."

THE TRAINER

FRANK MEDINA

One of the nation's outstanding trainers, The University of Texas' Frank Medina came by his rewards through hard work and the application of science to the training room.

In his eighteenth season with the Longhorns, Medina has served as one of the United States trainers for the 1948 Olympic team and as trainer of the West team in the annual January 1 East-West classic at San Francisco. In addition, he was the 1954 recipient of the Trainer of the Year Award of the Rockne Club of Kansas City, Mo., and trainer in 1958 for the U. S. track team that competed against Russia.

At Texas, he has introduced physiotherapy and diathermy into the training room as well as other scientific equipment and measures which have reduced minor injuries and expedited the return of athletes to their sport.

THE EQUIPMENT SUPERVISOR

JIMMY BLAYLOCK

Handling of all University athletic equipment is in the capable hands of Jimmy Blaylock, supervisor of athletic equipment since 1949. Jimmy is in charge of all uniforms and other gear worn and used by the UT athletes and sees that the equipment is properly cared for and gets to the site of Longhorn "away" games.

TEXAS' DEFENSE AND KICKING GAME ARE SOUND

Successful football coaches win with defense and a sound kicking game. This emphasis on defense and kicking has given Coach Royal amazing success at The University of Texas. In six years at Texas, Royal's Longhorns have won 48 games, lost 14 and tied three. In that span, Texas has gone to five bowl games—four in a row—and has won the Southwest Conference three times. Texas has lost only two of its last 27 football games.

DEFENSE DIRECTLY RESPONSIBLE FOR 10 SCORES IN 1962

Texas scored 28 times last fall—26 TD's and two field goals. Ten of these scores were set up by the defense and/or kicking game. The breakdown:

OREGON—Texas scored one TD after recovering fumble.

TEXAS TECH—Texas scored one TD after holding Tech for downs.

TULANE—Texas scored one TD after intercepting a pass; one TD on a long punt return, and one TD after holding Tulane for downs.

OKLAHOMA—Texas scored one TD by recovering a fumble in the end zone and kicked a field goal after recovering another fumble.

RICE—Texas scored one TD following a 55-yard punt return.

SMU—Texas scored one TD after a 49-yard punt return set the drive in motion.

TEXAS A&M—Texas scored one TD after intercepting a pass.

GREAT TEAMS MAKE SUCCESSFUL GOAL-LINE STANDS

In Royal's six years at Texas, the Longhorns have made 28 successful goal-line stands—a major factor in 14 victories. The 1962 team made five successful stands inside its own 10 and two more at the 12 and 13-yard lines.

Texas yielded only eight touchdowns last fall—and only two of those were against the goal-line defense. Two others were on bursts of 38 and 49 yards and the other four on passes of 20, 34, 10 and 18 yards.

Texas' successful goal-line stands last season:

OREGON—Texas held on the one and five-yard lines.

ARKANSAS—Texas held on the three-yard line; also on the 12.

RICE—Texas held on the nine-yard line.

TEXAS A&M—Texas held on the three-yard line; also on the 13.

TEXAS' KICKING GAME PAID OFF AGAIN

All the statistics can be misleading, and especially is this true in the kicking game.

Texas' kicking game proved quite sound in 1962, the Longhorns averaging 6.6 yards better than the opposition every time they punted—and 5.0 yards better on each kickoff.

Texas punted the ball 68 times and opponents returned punts a total of 148 yards, an average of 2.2. Texas averaged 38.2 yards a punt, less the 2.2 return, for a net of 36 yards a punt.

The opponents punted 85 times. Texas' punt return total was 428 yards, a 5.0 average. The opponents averaged 34.4 per punt, less the 5.0 return, for a net of 29.4 per punt.

The Longhorns kicked off 39 times with the opposition averaging putting the ball in play at the 25-yard line. The opponents kicked off 18 times with Texas averaging putting the ball in play from the 30.

TEXAS' 1962 SEASON IN REVIEW

(Game by Game Details Pgs. 42–55)

It was a long time getting here, but what had come to be viewed as "the impossible"—an undefeated regular-season record—came about as a result of the efforts of some determined University of Texas football players in 1962.

Not since 1923 had a Longhorn football team gone through the season without defeat.

But the gritty 1962 squad matched that effort—and, through their outstanding clutch play, brought new honors to the UT football program tutored so successfully by Darrell Royal.

No one who saw it will ever forget Texas' dramatic 7–3 victory over Arkansas, when Tailback Tommy Ford "found that green grass" in the end zone with 36 seconds left on the Memorial Stadium clock.

There were some other excellent efforts, too—including a bruising 9–6 victory over Oklahoma . . . a 6–0 squeaker over SMU . . . a come-from-behind 25–13 win over Oregon . . . a 27–12 victory over Baylor after the Bears scored first . . . a completely dominant 14–0 "revenge win" over TCU . . . a rallying 13–3 victory over a tough Texas A&M squad.

For those who delight in statistics and averages, it wasn't one of Texas' most successful seasons. But for those who delight in the only statistics that really count (wins and losses) and in tremendous competition, the 1962 season was second to none.

There were individual honors aplenty.

Guard Johnny Treadwell made every all-America team picked . . . Linebacker Pat Culpepper earned the Swede Nelson Sportsmanship Award . . . and Treadwell joined Ford and Tackle Scott Appleton on the consensus all-Southwest Conference team.

But there were a few other "little things" that made the season memorable.

A third conference title in four years . . . a fifth bowl appearance in Royal's six years at Texas . . . a record-breaking season attendance . . . and, of course, that elusive undefeated regular-season record. Things like those.

Texas wound up the season finishing in fourth place in both the AP and UPI final football polls.

1962 LONGHORNS SET ATTENDANCE RECORD

The unbeaten Texas Longhorn team of 1962 set an all-time school attendance record by playing before 613,038 fans in 11 games, including the 1963 Cotton Bowl game at Dallas. The total was some 10,000 over the old record of 602,668 set in 1952.

Texas played before six stadium-capacity crowds during the 11 games of last season. Full houses included the games against Texas Tech at Lubbock, Oklahoma at Dallas, Arkansas at Austin, Rice at Houston, TCU at Fort Worth and LSU in the Cotton Bowl.

A breakdown of Texas' top three seasons, attendance-wise (H designates home game, A designates out-of-town game):

THE LONGHORN BAND

VINCENT R. DiNINO, Director

"The Show Band of the Southwest" enters its ninth year under the directorship of Vincent R. DiNino this fall and the odds are real good that the energetic DiNino will have a still better band this fall.

DiNINO

Since he became Longhorn Band director DiNino has done a magnificent job of improving the organization. Under his enthusiastic lead, the Longhorn Band has added the "swing step," changed the type of music being played and has had some exceptional pre-game and halftime shows.

The 1963 band will consist of some 200 instrument-playing members.

Band officers for 1963–64 include Mickey Sandgarten of Austin, president, and Larry Kennedy of Austin, Charles Doyle of Weimar, B. J. Garner of Crockett and B. Banks of Austin, drum majors.

Majorettes will be Irene and Carol Reed of Corpus Christi, Mimi Janssen of La Grange is the featured twirler and Don Hart of Leander and Barry Green of Los Angeles, Calif., will serve as drum majors.

Nine Texas Stars, who also serve as twirlers, include Karleen Keane of San Antonio, Jean Wehmeyer of Mathis, Margaret Janssen of LaGrange, Dessie Thomas of Abilene, Francine James of Somerset, Betty Hoch of Austin, Marylin Cuero of Dickinson, Sable Latham of San Antonio and Betty Nietenhoefer of Hondo.

Membership in the Longhorn Band is open to any high school graduate or UT student in good standing. The requirements include an audition and an interview with the director.

BIGGEST DRUM—"BIG BERTHA"

The world's largest bass drum, "Big Bertha," is a standout attraction whenever the Longhorn Band is in evidence. Presented to the band in 1956 by Col. D. Harold Byrd of Dallas, Big Bertha is eight feet in diameter, 54 inches in width and weighs 500 pounds. Four bandsmen, known as "Drum Wranglers," take care of the [illegible]

ALMA MATER—"THE EYES OF TEXAS"

"The Eyes of Texas" was written in 1903 by John Lang Sinclair who wrote it for a minstrel show as a salute to Dr. Lambdin Prather then president of the University. Dr. Prather had attended Washington and Lee when General Robert E. Lee was president. General Lee, it was said, when he addressed the student body always mentioned "the eyes of the South are upon you." Dr. Prather often quoted it, confusing it only in Texas. There was a standing joke among the students about Dr. Prather and "all-seeing eyes." At the minstrel, the song (written to tune of "I've Been Working on the Railroad") became a tremendous hit and was sung far into the night. Gradually it became the school song and the unofficial song of the state.

THE CANNON—"SMOKEY"

Whenever the Texas football team scores, folks for blocks around know it. The reason is "Smokey," a cannon which fires with a thunderous roar. Masterminded by the Cowboys, the cannon has been used for several years and fast is becoming another well-known Texas athletic tradition.

PRESS BOX INFORMATION

LOCATION: West side of stadium. South goal is at your right, North goal at your left.

WILL CALL WINDOW- Press box tickets will be left for late arrivals by previous arrangement at the "Information Booth" located to the right (facing stadium) of Gate 7 (23rd and San Jacinto).

ENTRANCE: An elevator is located at the South end of the press box. The ground entrance is located inside the West wall of the stadium. Please have press ticket ready.

Note: It takes the elevator around two minutes to make a round trip, not counting unloading time. Please wait three minutes before ringing a second time.

There also is a door at the North end of the press box by which entry may be gained during varsity football games. It entails walking up through the stands.

SEAT LOCATIONS: Front row seats are numbered up to 49 from North to South. Back row seats are numbered up to 100.

Radio, wire, coaches and team picture booths are located on the second level.

Photographers are located on the roof.

SERVICE- (1) Press box microphone carries throughout press box.

(2) Prior to game programs and flip cards will be passed out.

(3) During course of game a play-by-play will be passed out as each page is completed.

(4) [illegible] rushing and passing [illegible] are kept at North end of box on lower level.

(5) First quarter statistics will be distributed as soon as possible after quarter ends.

(6) Halftime statistics will [illegible] individual rushers and passers will be distributed at halftime.

(7) Immediately following game, team rushing and passing statistics will be announced over press box address system. (Statistics quickie on your flip card.)

(8) As soon as possible after game, you will receive
- (a) Complete team statistics
- (b) Complete individual statistics
- (c) Defensive statistics
- (d) A few dressing room quotes from both dressing rooms.

PARKING INFORMATION

Parking credentials for these Dad games will be furnished upon request. The press parking area is located at the southeast corner of the stadium and is reached best by going south on Red River street, the street to the immediate east of Memorial Stadium. Parking within the stadium grounds is provided, if requested in advance, for those who arrive at the stadium at least two hours prior to kickoff time. Entrance to the area is through the Service Gate on East 23rd Street, on the north side of the stadium. Your press or sideline ticket must be stamped in order to receive this service, so be sure to indicate your preference and arrive on time. If the Service Gate is closed on arrival, then use the regular press parking lot on Red River Street.

LAST YEAR'S GAME

Texas rolled over the Green Wave of Tulane, 35–9, in a Band Night contest at Memorial Stadium. The Horns scored in every quarter but the second. Poage missed the game with a bruised shoulder.

The Greenies got their only TD off the shotgun attack of Coach Tommy O'Boyle early in the fourth period.

Texas scored the first time it got the ball and kept up the scoring pace with three quarterbacks operating the Winged T attack.

3. Texas, Ken Hall 1 yard run, Hall kick, 50 yard drive in [illegible] following Tulane punt — 8:11 — 0:11
4. Tulane, Tom Scott 30 yard field goal, 6 plays after Texas fumble — 0:30 — 3:05
5. Texas, Ken Hall 1 yard run, Hall kick, 80 yards in 11 plays after pass interception — 4:16

THIS YEAR'S OUTLOOK

In a defensive setting—but the schedule is murder again. The 1963 Tulane opponents include six bowl teams. The Green Wave should be able to score several touchdowns here and there, but a marked improvement in defensive play will be required for the New Orleans school to win more than two or three games. Tulane will have a better than-average sophomore group this fall, and the long-distance prospects for the Green Wave definitely are looking up.

LAST YEAR'S GAME

Texas scored a couple of touchdowns in the first half, then rolled to three more in the final period as the Longhorns outmanned a game Red Raider team 34–0.

Fullback Ray Poage scored a couple of times and Tommy Wade's passing arm accounted for another before a sellout crowd in Jones Stadium. It was a record [illegible] of 19,050.

Early in the game a promising Tech drive sickened both the fans and the team was plagued with [illegible] of [illegible] in the first 57 minutes.

4Q	Texas	Poage 1 run (Cooke kick)	54 yards in 5 plays after Tech punt	0:30

Tech had eight first downs.

THIS YEAR'S OUTLOOK

The Red Raiders will be a better football team in 1963. The three primary reasons: more backfield speed, more general depth, an outstanding sophomore crop. Something that could hurt the Raiders is their schedule—after opening against Washington State, Tech then [illegible] Southwest Conference games, which may be a tough [illegible] of it.

LAST YEAR'S GAME

[illegible] not play these teams last met in 1946, Texas scoring a 54–6 victory.

THIS YEAR'S OUTLOOK

A new coach (Phil Cutchin), a new system and obviously renewed enthusiasm will mark Oklahoma State's 1963 season. For the Cowboys to succeed for their new coach, they'll need to make the most of a thin squad. Despite that lack of depth, Oklahoma State's improvement in such categories as tackling and aggressiveness should make the Cowboys considerably better this fall.

LAST YEAR'S GAME

The Longhorns took advantage of two Sooner fumbles in the second quarter to win over their bitter rivals North of the Red River for the 6th consecutive time.

Jerry Sisemore's run of 9 yards for 1st down in the second period after Texas' drive on a Sooner bobble at the 27. Seven plays later came the winning three points.

Later Co-Captain Perry McWilliams fell on an OU fumble in the Sooner end zone for the Texas touchdown and a 9-0 lead. It was a bad pitchout in the Sooner backfield with OU operating from [illegible] that set up the play.

Oklahoma scored on two big pass plays just before the end of the half. The second half was scoreless but not without its usual tense moments. UT Linebacker Johnny Treadwell rocked the Sooner extra point try.

Texas	0	9	0	0	9
Oklahoma	0	6	0	0	6

Scoring Plays	Time	Remaining
UT -Crosby 36 yard field goal, 27 yards in 7 plays after OU fumble	2Q,	10
UT -P. McWilliams recovered fumble in end zone (run failed),	2Q,	3:30
[illegible] after Texas kickoff	2Q,	0:26

THIS YEAR'S OUTLOOK

Oklahoma should have its best team in several years this fall. Although the Sooners suffered comparatively severe defensive losses, this, however, is basically a young football team with tremendous potential. The Sooners' prospects should be evident early—OU meets defending national champion Southern California in the second game of the season. If all goes well, this could be one of Bud Wilkinson's finest Sooner teams.

TEXAS' SCHOOL COLORS

The colors Orange and White were officially adopted on May 10, 1900, after a three-cornered fight between students at the Main University, the School of Medicine and ex-students. The colors were first used in the spring of 1884 when a special train of students went to Georgetown for a baseball game with Southwestern.

LAST YEAR'S GAME

Before another sellout crowd (64,530 at Memorial Stadium), Texas won the big game with Arkansas and eventually the Southwest Conference championship, but it was a cliff-hanger.

Arkansas [illegible] by Jerry Ingram's 1st quarter field goal. The Razorbacks [illegible] on Tom McKnelly's 41 yard second-quarter field goal. [illegible] 90 yards in the final minutes to salvage the victory.

Immediately after Arkansas' field goal, Texas drove down to the Porker three-yard line on a 60-yard drive but Arkansas held. Field position for Texas proved hard to get from here on out until the final thrust.

What may be the biggest play of the conference occurred midway of the third quarter when Texas Linebackers Culpepper and Treadwell hit Arkansas Fullback Danny Brabham at the goal line, jarring the ball away for a Texas recovery. It was a remarkable goal-line stand by the famed Longhorn defense.

Carlisle and Gerding each quarterbacked the Longhorns on the final touchdown drive.

	Texas	0	0	0	
	Arkansas	3	0	0	3

Scoring, Ark.: Time Remaining
Ark.—M. Kinnett 41 field goal (21 yard drive after 11 play 3rd Texas punt) 12:11 2d
UT—Ford run (Kinnett kick) 11:35 3d (10 play 60 yard drive after Arkansas punt) 4:11 3d

THIS YEAR'S OUTLOOK

The 1963 Arkansas football team should be among the best in the country, especially if a replacement for the fine graduated quarterback, Billy Moore, can be found. The Razorbacks have a mammoth 18 letter-winning linemen returning, as compared with "only" nine lettermen backs available. The defense should be outstanding although there is some doubt as to whether the Porkers will score enough to make the grade in addition as they did last fall. Nevertheless, this should be a remarkable football team.

LAST YEAR'S GAME

Rice Stadium, packed to over capacity, was another scene of disappointment for Owl fans as Texas ran and passed for 17 points to Rice's 14 in a game unlike 1962. But the Horns did manage to gain a 14-14 tie—only blot on an unbeaten regular-season record.

Rice scored first but the Longhorns came from behind with two scores and led 14-7 late in the third period. Then Rice tied it up on an 18-yard pass by Randy Kerbow.

Tommy Ford's hard running helped Texas gain its first score, then he set up the second with a brilliant 55-yard punt return.

	Texas	0	0	0
	Rice	0	0	0

Scoring Plays: Time Remaining
Rice—Pitner 9 run (Kerbow kick) 10:55 3d (10 play 60 yard drive after Texas punt)
UT—Ford run (Lindig kick) 10:27 3d (5 play 55 yard drive after Rice punt)
UT—Safety, Rice snapped ball out of end zone 7:03 3d
Rice—Graham 18 pass from Kerbow (Kerbow kick) 1:57 3d (9 plays 60 yards after Texas punt)

THIS YEAR'S OUTLOOK

Rice should be considerably improved—more size, more depth, more experience, more general ability, some exceptional "kids." The Owls should bound back from last year's mediocre season into at least contention for the Southwest Conference title. Coach Neely is particularly impressed in the area of experience, having gone to the [illegible] for [illegible] Jerry Kelley and Johnny Nichols, and Bonnie Greenhaw will be one of the best sophomores in the country.

LAST YEAR'S GAME

Texas used a solid defense to keep its unbeaten record intact and took a 6-0 win over SMU on a sunny but cold afternoon in Memorial Stadium.

Texas' lone TD came in the second period on a 50-yard drive helped greatly by Duke Carlisle's 49-yard punt return. Johnny Genung quarterbacked the Longhorns on their lone score with Ford ramming it over from the four-yard line.

THIS YEAR'S OUTLOOK

Somewhat bigger and somewhat deeper, SMU could be one of the top darkhorse teams in the country this fall. Fry's ability to bring out a maximum team effort and to keep the team's spirit and aggressiveness at a high edge during a losing 1962 season should be reflected in a much better won-lost record this fall. It takes no great stretch of the imagination to picture the Mustangs as a hot contender for the conference championship.

LAST YEAR'S GAME

Tommy Wade came in as the starting Texas quarterback and was his passing barrage that stopped the Baylor Bears at their own game. 27-12. Wade passed for two touchdowns and scored another himself as he completed 11 of 23 aerials for 195 yards—most for a Texas team since 1957. The 24 passes Texas threw were the most ever by a Royal-coached Texas team.

Baylor scored first behind the passing of Don Trull but the 'Horns came charging back for a 21-6 margin in the third period.

THIS YEAR'S OUTLOOK

This should again be one of the most exciting teams to watch, with a Trull-to-Lawrence Elkins passing combination a threat to the record books. Although the Bears are a little shallow at guard and center, Baylor's defense—a severe problem much of last season—should be improved. Baylor is shooting for a first-division SWC finish, and if the air arm clicks as well as expected, the Bears are quite likely to be there.

LAST YEAR'S GAME

The Longhorns, after a year's wait, got 14-0 revenge against the TCU Horned Frogs on a muddy field. It was Texas' finest defensive effort in a decade as the Longhorns limited the Frogs to just 71 yards of offense.

TCU never got past its own 40-yard line after recovering a fumble in Longhorn territory early in the game. Texas made repeated thrusts [illegible] the Frog goal line before finally getting across for two in the last [illegible].

A stout Texas defense led by Scott Appleton, George Brucks, Marvin Kuehn, Johnny Treadwell, Pat Culpepper, Duke Carlisle, Joe Dixon, Jim Hudson and a host of other Orange-clad 'Horns kept the Frogs contained [illegible].

THIS YEAR'S OUTLOOK

TCU should be much, much better—if a replacement can be found for Sonny Gibbs, the Frogs' talented quarterback. The Frogs return 28 of 36 lettermen, 17 in the line and 11 in the backfield. They have all the necessary ingredients for success with the possible exception of quarterback—and Soph Kent Nix may make the Horned Frogs forget the tall and sometimes-terrific Gibbs.

LAST YEAR'S GAME

A national television audience witnessed Texas' first unbeaten season since 1923, although it took the Longhorns 46 [illegible] the issue. UT finally beat Texas A&M 13–3.

Mike Clark, setting a conference record with his 7th field goal of the year, put the Aggies out front early in the game on his 20-yard [illegible].

The fired-up Cadets kept the Longhorns well contained the first half and had repeated opportunities to score but the famed Texas defense limited the Ags to the one field goal.

In the third quarter the 'Horns finally got a drive going behind Johnny Genung and went ahead, 7-3. Jerry Cook scored the touchdown on a twisting 10-yard run.

Genung took UT [illegible] for a second TD later in the final period after a pass interception.

Texas won its third SWC title in four years and 12th of all time and won an eighth berth in the Cotton Bowl with the victory.

THIS YEAR'S OUTLOOK

"General improvement" is a good forecast for Texas A&M this fall. The Aggies, who had severe offensive troubles during 1962 (their highest score: 14) should be considerably better in that department. The entire starting backfield returns. And, although A&M lost heavily [illegible] end, tackle and halfback, Hank Foldberg will have 23 lettermen available. With better size and speed forthcoming in '63, A&M [illegible] have a much more successful season.

LONGHORN HALL OF HONOR

One of The University of Texas' newest—but one of its most cherished—athletic traditions is the Longhorn Hall of Honor.

Each year, four former Longhorn athletic greats are immortalized by election to the Longhorn Hall of Honor.

The governing body, the Longhorn Hall of Honor Council, is made up exclusively of men who have lettered at The University of Texas. The Council is in charge of all arrangements for the vote of lettermen and for the installation banquet.

Mounted silver scrolls, which carry the announcement that they are presented "in recognition of those qualities that brought credit and renown to The University of Texas," are presented to the honorees.

In addition, large portraits of the honorees are hung in the beautiful Lettermen's Lounge at Memorial Stadium.

The Hall of Honor, although it won't celebrate its seventh anniversary until November, already has become one of the most copied programs of its kind in the country—and, with each passing year, it means more and more to all the men who have been, and who continue to be, Texas Longhorns.

THEY WEREN'T EVEN CLOSE

The University of Texas has had some one-sided games on its schedule during the long UT football history, both winning and losing by large margins.

Texas' biggest victory, pointwise, came on a 92-0 romp over Daniel Baker in 1915. The worst setback was dealt, 68-0, by Chicago to the 1900 Longhorns who, curiously, allowed seven other rivals a total of 30 points.

Margin-wise, these have been the top 10 victories and defeats

LONGHORNS DRAW FEWER PENALTIES

Texas drew 42 penalties for 379 yards in 1962. This is the smallest number of penalties—and the least yardage lost thereby—in Darrell Royal's six seasons at the University.

The breakdown:

CONSENSUS ALL-AMERICAS

Linebacking Guard Johnny Treadwell was named to every major 1962 All-America team, thereby becoming Texas' fifth consensus all-American—and its second in two seasons.

Fullback Jack Collins was the last to win the same honor in 1961, and most of the 971 yards gained in one game between the 1961 and 1962 total offense was made by Saxton in '61 when he rushed for a single-game record of 346 yards.

Other Longhorns who were consensus all-American selections include End Carlton Massey, 1953, Guard Bud McFadin, 1950, and End Hub Bechtol, 1946.

AN EARLY LOOK AT BASKETBALL

Harold Bradley and his new assistant, Jess Richardson, have a tough project mapped out for themselves in the 1963–64 basketball season—trying to hang the exceptional record posted by The University of Texas' Fine 1963 Southwest Conference champions.

It will be a difficult assignment.

Some of the records established include a 13-1 conference record and a 20-7 season record—a fine statistical-success season in which the Orange and White was one of the top-ranked teams in many categories—and the record of being one of the best-balanced teams ever to play in this league.

The coaches have some good "bosses" available, although they'll miss four who won't be around. All-conference guard Jimmy Gilbert, alternate forward Matt Hefner and valuable reserves Jack Dugan and Ron Weeks wound up their varsity careers in the 1963 NCAA Midwest Regional Tournament.

Veterans who hope they can take up where they left off include 1963 starters Mike Humphrey, senior center; Larry Franks, junior [illegible] Joe Fisher, senior forward, and Jimmy Puryear, senior guard—plus other fine players in the persons of John Paul Futz, junior forward-center; Jimmy Clark, junior guard, Steve Carter, junior guard, and Tommy Nevins, junior guard.

Most promising help coming up from the freshman team seems to be concentrated in Paul Ottmer, forward from Dallas, and John Bush, guard from Lampasas.

Richardson, who succeeded Jimmy Viramontes when the latter resigned [illegible] will primarily work with the freshmen. He will be assisted by two popular former Longhorn all-conference guards—Donnie Easter (1961) and Cal Hart (1963).

High-light games of the 24-game schedule include a visit to strong Wichita—an appearance in the Charlotte, N.C., Tournament, and a pair of afternoon home games that will be televised: Jan. 4 against Texas Tech and Jan. 11 against Texas A&M.

The Longhorn season opens Dec. 2, the varsity facing Howard Payne [illegible] playing Del Mar College. Final action is scheduled [illegible] 5, varsity and freshman contests against the Texas Aggies at College Station.

HOW FOOTBALL LOOKS BY DECADES

The University of Texas has had the Southwest Conference's best record in three of the four "decades" in Southwest Conference history. Longhorn teams had the best conference-only marks in the inclusive spans of 1915-29 (second, Texas A&M), 1940-49 (second, Rice) and 1950 [illegible]

TEXAS TRADITIONS

MASCOT—BEVO VII

The University of Texas mascot is Bevo VII, a Texas Longhorn steer. A familiar sight on the sidelines whenever UT plays a football game, Bevo VII begins his sixth year as the Texas mascot this fall.

UT's Bevos date from 1916, when No. 1 made his appearance during the Texas A&M game at Austin. That first mascot, much like some of his successors, had an unlucky "career." Bevo I was branded by some Aggies and later was served as steak at an A&M-Texas get-together.

Bevo II was a one-year mascot in 1936. Bevo III raised cain on the campus in 1945. The fourth Bevo served from 1949 to 1951, when his penchant for stampeding caused his summary retirement.

Bevo V lasted from 1951 to 1954, Bevo VI from 1954 to 1957.

The current mascot was a bit unruly in his younger days, but has considerably mellowed in more recent years—and now is a fairly amiable mascot.

The steers are loaned to the University by the State of Texas with the understanding that they will be retired after a few years.

NICKNAME—LONGHORNS

Mr. D. A. Frank (1903–1905) is the source of how The University of Texas teams became known as "Longhorns." He related in a 1943 letter to "The Firing Line" column of "The Daily Texan" that Alex Weisburg in 1903 was editor-in-chief of The Texan and one day told Mr. Frank, "D. A., hereafter in every sports article call the team 'The Longhorns' and we'll soon have it named." These instructions were followed and passed down for several years, according to Mr. Frank, and "along about 1906 or 1907, the name became official. . . ."

SERVICE ORGANIZATIONS

The Cowboys and the Silver Spurs, two men's honorary organizations, fill important roles in UT's athletic program. The Cowboys take care of "Smokey," the cannon, the Spurs mastermind Bevo VII, the mascot. The two groups form the human "tunnel" through which the Longhorn football team runs to reach the playing field. The Cowboys were organized in 1922 by Arno Nowotny, then a cheerleader and now the Dean of Student Life. The Silver Spurs were formed in 1940. Both stress leadership, scholarship and all-around ability in their membership qualifications.

VICTORY SIGNAL—THE TOWER

Traditionally, the Main Building ("The Tower") at The University of Texas is bathed in orange lights following a football victory or other outstanding athletic achievement (SWC and NCAA championships, national playoff victories, etc.), as well as special University occasions and holidays.

The entire building is lighted orange for Thanksgiving Day football victories only; the Tower shaft is white and the Tower orange for the achievements noted in the preceding paragraph, and the Tower shaft is white and the Tower alternately orange and white on nights of tie football games or ties for SWC championships.

Standing 27 stories tall, the Tower serves as a beacon of UT's athletic success in Austin and for many miles in every direction.

O.U. TROPHY—BRONZE HAT

Emblematic of victory in the annual Texas-Oklahoma football game, the Bronze Hat was donated to the two schools by the State Fair of Texas in 1941. An exact replica of the famed "ten-gallon" cowboy hat, the trophy is retained by the winning school each year. The trophy includes small bronze football-shaped plaques around the edges, bearing the year and the score of the annual intersectional clash.
